**Warami N' Allowah Mittigar (Darug)**

***(Hello... come in, sit down friend)***

**Dear Parents and Carers,**

## **Proactive P & C**

Many thanks to the parents who were able to attend the first P & C meeting held last Tuesday night. A very big thank you for the donation of \$1000 towards our stage three excursion to Milson Island in June and \$2000 towards other excursions planned for all the students. The P & C work hard to raise money for our students. Welcome to the new members. We are so lucky that as a small school we have such a great team! Upcoming events include the BBQ at MVPS for the BANC Family Fun Day Sat 23rd February.

## **Swimming Carnival**

Congratulations to the four swimmers who attended the combined swimming carnival this year at Katoomba Pool with Katoomba North Public School. A special congratulations to Charlotte and Ned who qualified to swim at District level. At the end of the year we hold our Annual Aquatic Fun Day at Blackheath Pool for all students.

*No sitting around waiting for a race instead in the pools and having a great time!!*

## **Notes Home-Thank you**

Our fantastic track record in getting back notes quickly has been due to your efforts!! Last week you receiving numerous notes that are very important for the administration of our school. Thank you to everyone who has already returned these notes. Please set aside some time very soon to fill these out and return to the office as soon as possible. Let's keep Amanda smiling!!

**Our Mindsets    We are Involved    We are Respectful    We are Safe**

**Behaviour Expectations – Our way to make a safe happy Learning Space**

**Do as you are asked**

**Be in the right place**

**Hands and feet to yourself**

**Listen Well, Speak Politely**

**Start work quickly and Do your best**

**Respect all Possessions**

Our expectations are one of the ways we are ensuring we are a happy and safe place of learning. All students understand and are sometimes reminded about keeping our expectations! There is an emphasis on helping the children make the right choices about their own behaviour. We are very proud of our schools success with these simple ways of showing respect and care for all.

## Excursions

More are already planned for this year . Notes will be sent home soon!!

**Science spree !!** – Three incursions –1-2,3-4,5-6 held on March 14 - The Water Cycle/ Earth Moon and Stars and Young Chemists Sampler !!

**The Stage Three Camp** changing to Milsons Island and being four days and three nights in early June.

## Parent Helpers

We are looking to start involving parents across all stages with helpers encouraged and welcomed. Our classroom teachers will speak to helpers individually. One fantastic Grandmother who has had drama and movement experience is volunteering her time in the  $\frac{3}{4}$  class once a week for the rest of the term!. I encourage all parents to get involved in the school in any small or large way they can. No special experience or skills needed! When parents and staff work together it can only mean better outcomes for our children.
