Term 2 Week 4 Monday 20th May 2019

Warami N' Allowah Mittigar (Darug)

(Hello... come in, sit down friend)

Dear Parents and Lovely Community,

Go Troppo Last Monday the whole school enjoyed a one-man act about the ways to bounce back and build resilience when meeting change and challenges. The staff reported that the show was excellent and well enjoyed by all the children. This show reinforced our social and emotional skills education by focusing on key messages within our BOUNCE program.

Cross Country Super involvement of all students!! The top 8 competitors 8yrs and up are invited to attend the carnival at Blackheath on the 24th of May. Looking forward to taking a strong team of runners and students will be given the opportunity to train with their class. Big **THANK YOU** to the parents who assisted with the running of this event.

Basketball and Athletics -We have been successful in gaining the Sporting Schools grant this term and can therefore fund the fantastic sport specialist for Basketball and Athletics. All students attended these sessions on Friday and we see a considerable improvement in their skills throughout the lessons. Thank you to Johnny and Andrew for coaching us!!

Mother's Day Stall Thank you again for giving our children the opportunity to purchase affordable and cheerful presents for their mothers. This is such a nice activity and we appreciate the time given to put this stall together. **THANK YOU**

Futsal Gala Day Thirteen senior students attended this day which was very busy and full of fun. We didn't win any games but the children played with spirit and good will. Many thanks to Ruby and Danielle for giving up their day to manage the teams. It was fun !!

NAPLAN Year three and five have completed the National Assessments in Literacy and Numeracy last week. Well done everyone for being so well behaved during the sessions and having a go.

Green Team has begun the process of a waste audit to determine how we are going with sustainable practices across the school. Mr Gero and the team are interested in developing strong recycling practices to minimise our waste. It will be interesting to see the results.

SRC are holding a LEGO CHALLENGE to build funds toward their flagpole project.

Election BBQ Big thanks to Paul, Geoff, Eva, Angela, Vicki and Rubi. **They made \$630** to go towards wonderful resources for our students. Well done P&C !! You are fantastic.

Milsons Island Camp Our stage three students will be attending the Sport and Recreation Camp in the first week of June. This is an amazing way to build social and emotion skills and develop our team work and collaborative capacities. An excellent camp and we can't wait!

Have a wonderful week.

Warmest regards,

Moira
