Term 4 Week 2 Monday 21st October 2019

Warami N' Allowah Mittigar (Darug)

(Hello... come in, sit down friend)

Dear Lovely Community, We are planning a fantastic Term!!

Outdoor Classroom Day Friday 1st November 11:30

We already have 7 wonderful volunteer parents coming in to make our Outdoor Classroom day rock!! See Mr Gero if you are able to be involved. Students are given the opportunity to experience a variety of activities in our beautiful grounds.

Tell Them From Me Parent Survey 2019

THANK YOU. Many parents have already filled out the online survey helping our planning for 2020. If you are able to log into: <http://nsw.tellthemfromme.com/mvps19> it will give us some feedback in regards our schools progress and ways we can work together to improve. Many thanks.

Pre-Lit Program Miss Keep

Our lucky new Kindergarten students are given access to the Macquarie University Early Literacy Program Pre-Lit. This program is designed to reinforce important skills for comprehension and early writing. Miss Keep will be taking the Kindergarten group in 2020 and is looking forward to meeting her new students on Wednesdays over the term.

Staffing 2020

Miss Williams will be having a break from full time teaching in 2020 and we wish her all the best for her exciting year. Mr Gero, Mr Travers and Miss Keep will be returning in 2020 as we expect to be at 3 classes. Mrs Herring will be returning for 2 days a week and will be taking the RFF/library role. Our student population numbers are anticipated to be at 71 for 2020, we have a strong cohort of 13 new Kindergarten students enrolled!! 2020 is already shaping up to be a brilliant year!!

Final School Day 2019 – 18th December

Staff have completed additional professional learning sessions throughout the year and as such will not be attending school on the last two days of Term Four. The last day for Students is the 18th of December. Please be aware there will be no school on Thursday 19th or Friday 20th December and there will be no supervision on site.

Attendance.

At our school audit the school attendance data was raised as something for us to watch. Every school day counts. Let's see how our classes go for the rest of the term.

Week 1- Class attendance rates:

5 / 6 - 89% 3 / 4 - 95% 1 / 2 - 92.22%

K / 1 - 96.67%

Staff will be calling parents in regards absences of concern if there is no explanation after two or three days. Like you we want the best education outcomes for our students and there is a direct correlation between the number of days present and strong educational achievement. We will also be sending out Have you forgotten? cards for unexplained absences to help our administration of absence. Thanks for working with us in this important area.

Kind Regards,
Moir
